RACEHORSE INN

Dear All,

It is with deep regret that we must inform you that we will not be re-opening the Racehorse Inn again.

Sadly, it is a very emotive moment in our own lives as we have been happy here for 5 years and have made many friends and we had hoped to entertain you again this Summer. We have however, had to give the situation a great deal of thought having argued the merits and economics at great length, but regrettably it simply boils down to economics of scale.

The pinch points and narrow layout of the Racehorse both behind the scenes as well as front of house simply disallows us from entertaining enough customers at one time in a safe and responsible way. Our busiest time is Friday to Sunday and if we cannot maximise our weekend opportunities then it is not a profitable operation; and by the time normality might return, Winter will be upon us once again and no benefit would have been gained from our usual high season.

Add to this, that the negotiation with the owners of the Building have not gone well in reducing costs, and therefore sadly we have had to negotiate an end of lease conclusion.

Looking at the bright side we will still be running Restaurant Flory in Bodmin where the layout, wide corridors, spacious toilets on both floors and table spacing allows us to continue without moving to sub-economic levels.

We currently benefit from free parking (Priory car park) next door, so we hope you will come and see us where you will receive the warmest of welcomes from both Flori and I.

Thanks to all of you who have sent us warm messages of support and to all of you who have enjoyed and frequented the Racehorse over the past years.

We do hope and look forward to meeting you all again but at a different place!

Best wishes and kind regards

Ray and Flori
